

Michael Minge, LEED AP

» Principal, K-12 Education Team Leader

EXPERIENCE AND BACKGROUND

Since joining Capital in 1980, Mr. Minge has served as the Team Leader and Project Manager on more than 1,000 educational facility projects. His expertise includes new construction, modernizations, renovations and additions to educational campuses. His role encompasses design, client consultation, construction administration and field inspections, all with an eye toward sustainability. Responsibilities include day-to-day management of the education team, design concept development, engineering supervision, documentation, calculations and general project administration.
